

SURYADATTA has a modern Language Laboratory with state-of-the-art audio-visual equipment to aid in imparting English and other foreign language skills. The Laboratory is effectively utilized by students for various self-enhancement and soft skill development activities. It aims at confidence-building among students for interactions and presentations in English. The basic purpose of the lab is to provide students a platform to enhance English and other language skills, communication skills and to practice soft skills. It improves your cultural awareness, develops your adaptability and makes you a more confident and effective communicator, and improves your future employability.

The main objectives of the Language Laboratory are:

- To equip the students with good communication skills.
- To emphasize the need of English in the technical world.
- To prepare them for interviews and future job environments.
- To train the students in the art of conversation and discussion.
